Large cabinet with easy-view storage bins
Shelf depths 250/530 mm

®RasterPlan

Application:
For clearly arranged storage of small parts in RASTERPLAN easy-view storage bins.

Execution:
- Stable sheet-steel design with double-walled, torsion-resistant hinged doors with recessed triple-lock security cylinder lock, with two keys, opening angle over 200°
- Full-length linkage guide system, internal doors equipped with RasterPlan perforated slotted panels, double-walled sidewalls
- Zinc-plated shelves, adjustable in increments of 10 mm
- Equipped with RasterPlan easy-view storage bins made of shock- and impact-resistant polyethylene, sorted by colour
- For accessories such as labels: for lids, see from no. 50638 850-876 in the Workstation section.
- Doors with perforated/slotted panels

Delivery:
Without labels
