

Fix master Particle board screw countersunk head Fix-cutter, partially threaded

Screw with cutting groove, TX-head

Cutting groove reduces risk of splitting of the wood, and eases the screwing force.

The Torx slot enables a better transfer of force.

This reduces the impact bit's tendency to slip from the slot (cam-out), reducing wear and tear.

• **Material:** Steel

Art. No.	Type description	Nominal diameter	Length	Product weight (per item)
019314550	4,5X50	4.5 mm	50 mm	3.3 g
019314560	4,5X60	4.5 mm	60 mm	3.92 g
019314 50	4X50	4 mm	50 mm	2.64 g
019314 60	4X60	4 mm	60 mm	3.09 g
019315 50	5X50	5 mm	50 mm	3.44 g
