

## Alligator® water pump pliers

With box joint, dipped grip covers

### Application

For gripping pipes, screws or other workpieces.

### Version

- Chrome-vanadium electric steel, forged, oil-hardened
- Box joint, excellent stability thanks to double guide and pinch guard in all settings
- PVC-dipped handles

### Advantage

- Self-locking on pipes and nuts, energy-saving work process
- Slim head and joint area provides excellent access to the workpiece
- Consistently safe gripping and excellent resistance to wear thanks to gripping surfaces with specially hardened teeth
- Robust design, resistant to soiling
