

Automatic wire stripping pliers stripax 0.08–10 mm²

Self-adjusting, longitudinal stop, cable cutters

Weidmüller 

Version

- Housing made from fibre glass-reinforced polyamide
- Maximum stripping length: 25 mm
- With integrated cable cutters for cross-sections up to 6 mm²
- Suitable for PVC insulated, fine-strand conductors

Advantage

- The conductors are not damaged thanks to the special, self-adjusting stripping blade
