

Brake cleaner

Cleans without residue and protects against immediate re-rusting

Application

For maintenance, repair and mounting where grease and resin deposits are present. Degreases and activates parts before adhesion and painting. Removes oils and encrusted resin, synthetic oil and silicone residues.

Art. No.	69600 085
Container	Aerosol can
Contents	500 ml
Colour	Transparent
Number of pieces per packet	12
Density	0.695 g/cm ³
Density conditions	at 20°C, DIN 53217
Smell/fragrance	Solvent-like
Max. evaporation	2.2
Max. flashing point	21 °C
Hazard symbol (GHS)	GHS02, GHS07, GHS09

EAN-Code

4053625359387
