Stainless steel spray, special, light

Gives surfaces the appearance of previously treated stainless steel, e.g. V2A, V4A

Application:

Can be used wherever a resistant and highly effective protective layer is required, e.g. to repair damaged stainless steel parts, on truck attachments, on silos and piping, outdoors, for decorative purposes and for visually enhancing glass, wood, stone, ceramic and most plastics.

Execution:

- Chemical-resistant, corrosion-resistant and weather-proof surface coating based on acrylic resin and rust-free stainless steel pigments. The alloy includes chrome, nickel and manganese.
- Dust dry after 10 minutes, hardened after 10 hours

Art. no.	***69680 020***
Brand	WEICON
Manufacturer Part Number	11104400
Container	Aerosol can
Contents	400 ml
Min./max. temperature resistance	-50 to +300 °C
Colour	Stainless steel bright
Hazard symbol (GHS)	GHS02, GHS07
Gross Weight	0.422 kg
Product Group	6TW

EAN

4024596031381
