

PRODUCT DATA SHEET

Tool trolley

Width 650 mm, with swivel columns, intermediate boxes, lowerable

<u>ATORN</u>

Execution

- Sturdy sheet-steel construction with large floor tray, table surface with rubber mat
 2 intermediate boxes each with 4 sheet metal dividers for versatile partitioning
- Useful area of intermediate boxes W x D 480 x 315 mm, load capacity per intermediate box 15 kg
- With swivel columns for space-saving transport, can be folded down to the lowest height of the tool trolley in order to save space and act as handles
- The intermediate boxes can be lowered using the fold-down columns, total lowered height 500 mm
 Table top and intermediate boxes with rubber protection strips to protect against damage
 Lockable with padlock with shackle diameter 6.5 mm (not included in scope of delivery)
