

Tool, materials and assembly trolley (empty/equipped) Type 179 NXXL

Execution

- Fully sealed work surface protects trolley interior against spilled liquids, interfaces integrated into the worktop for accessories such as laptop holders and add-on modules
- Completely welded construction of the entire body for rigorous daily use in the workshop, high-quality plastic end caps for better protection
- Optimised, yielding edge protection on all four corners - internal damping design for real impact protection
- Ergonomically optimised steering handle for improved manoeuvrability
- Highly secure locking system with central locking technology for optimum protection of your property, 2-stage locking, central locking, locked by cylinder lock with 2 articulated keys
- Self-closing and reciprocal locking of drawers prevents accidental opening, 100 % extension with ball-bearing-mounted telescopic rails, drawer size for organisation system 5/3+
- Large, heavy-duty wheels (dia. 125 mm) with precision ball bearings and double ball race in swivel bearing
- 2 swivel castors with double stop, braked castor prevents trolley rolling away
- Braked swivel castor prevents the swivel castors from swivelling, e.g. on inclined surfaces, guard ring prevents the ingress of dirt and threads
- Grey, trackless elastic castors run smoothly

Advantage

- Significantly enlarged stainless steel storage and work surface
- Extremely robust, double-walled construction
- Ergonomic lock position on side for better operability protects keys and lock against damage
- Reciprocal drawer lock minimises the risk of tipping
- Easy movement even with high dynamic loads

Notes

New drawer fronts for optimised handling, new dirt-repellent drawer coating for easy cleaning

Technical Data

Product number	1081724 304
Pullout type	Full extension
With single pull-out safety brake	Yes
With single-locking drawers	Yes
With SOFT-CLOSE closing function	No
Load-carrying capacity	1000 kg
Central locking	Yes
Lock type	Cylinder lock
Punched-hole	10 x 10 mm
With edge protection	Yes
With sliding handle	Yes
Number of fixed rollers	2 PCS
Number of steering rollers	2 PCS
With wheel lock	Yes
Material of wheel	TPE
Wheel diameter	125 mm
Material of worktop	Aluminium
Material	Sheet steel
Surface	Powder-coated
Manufacturer Part Number	179NXXL-7/340
EAN Code	4000896215072
Commodity Code	94032080
