

Tool trolley, HAZET Assistant model 166 C with reversible columns and lowerable boxes

Execution

- Comprising table top, 2 intermediate boxes, lower box
- Table top made of plastic with integrated beechwood panel
- Intermediate boxes with surrounding rubber profiles, including 2 sheet metal partitions for subdividing the boxes
- Wheels with dirt protection and thread guards
- The intermediate boxes can be lowered using the fold-down columns, total lowered height 647 mm
- Locked with a padlock, included in scope of delivery

Advantage

- The columns can be folded using a special hinge and then used as carrying handles
- For versatile use as a tool trolley at work and as a portable tool case
- Table top and intermediate trays can be raised

Technical Data

Product number	1081717 201
