

### Tool trolley, model 2004 Drawers with full-extension slide

#### Execution

- Working platform made of ABS, with 3 shaped compartments for small parts and a raised wide edge, oil and acid-resistant
- Sturdy ergonomic steering handle for self-assembly
- Heavy-duty chassis on rollers, with 2 fixed wheels, diameter 200 mm and guide rollers, diameter 125 mm, 1 with complete stop
- All-round collision protection bumper with heel protection
- Storage compartment on the access side with perforated metal plate wall, 9 x 33 mm, for affixing accessories and tools
- Lockable side storage space with 4 removable drawers for small parts, lockable via the central drawer locking system with a cylinder lock
- Load capacity of 60 kg with a drawer front height of 207 mm (evenly distributed load)
- Basic equipment includes 3 longitudinal dividers, 2 cross-divider and 2 removable small parts drawers

#### Advantage

- Stable, robust, easy-to-use tool trolley (e.g. one-handed drawer opening)
- Safety lock ensures precise operation of drawer stopping mechanism while in motion

#### Delivery

Tools and accessories not included

#### Notes

To order customised hard foam inserts suitable for these drawers, please use the following clear internal dimensions: Width 478 mm, depth 390 mm.

### Technical Data

Product number	1081733 100
