

### Hand-operated lifting table trolleys

Load capacity: 150-800 kg

#### Application

For in-house transportation of loads.

#### Execution

- Robust foot pump raises the table while saving effort
- Hand lever for controlled, continuous lowering of the table
- High-quality polyurethane tyres as standard
- 2 swivel castors with locking device and 2 fixed castors
- High-quality hydraulic pump
- Paintwork: blue and black

### Technical Data

Product number	1081520 100
Load-carrying capacity	150 kg
Min. table height	225 mm
Max. table height	740 mm
Loading surface length	740 mm
Loading-surface width	450 mm
Loading surface thickness	35 mm
Shear design	Single
Colour	Light blue   Black
Manufacturer Part Number	GE0024062
EAN Code	4024496114061
Commodity Code	84279000
