

High-lift truck

Load capacity: 500-1000 kg

Application

For easy work with pallets and bins.

Execution

- Hydraulic high-lift truck
- Solid and durable, firmly welded steel construction
- 40 mm ground clearance for uneven floors
- Infinitely adjustable lowering via the hand lever on tiller handle
- Manual lifting via the lifting tiller or foot pedal
- Load protection grating and frame grating for maximum safety
- Both swivel castors with locking brake
- High-quality blue and black powder coating

Notes

Optional loading platform is available as an accessory.

Technical Data

Product number	1081512 203
Min. lift height	90 mm
Fork, external distance	580 mm
With quick-lift function	No
With weighing system	No
Colour	Light blue Black
Surface	Powder-coated
Brake	none
Manufacturer Part Number	GE0023993
Commodity Code	84279000
