

Pallet trolley

Load-bearing capacity up to 1200 kg

Application

For transporting Euro pallets and crates.

Execution

- Robust welded angular steel frame structure with 4 corner braces

Advantage

- Secure holding and transporting of pallets and crates thanks to welded corner braces
- Durable thanks to robust design

Technical Data

Product number	1081708 201
Material of loading surface	Angle steel
Loading-surface height	282 mm
Number of fixed rollers	2 PCS
Number of steering rollers	2 PCS
With wheel lock	Yes
Total stop optional	Yes
Wheel diameter	200 mm
Wheel width	40 mm
Surface	Powder-coated
Suitable for transporting	Euro pallets
Manufacturer Part Number	22801
EAN Code	4017976228013
Commodity Code	73269098
