

Electric pallet truck with Li-ion battery

Application

Material transport made easy.

Execution

- The new lithium-powered electric pallet truck is designed in line with the current industry trend of lightweight, lithium-powered solutions.
- The electric pallet truck features a compact, intelligent design
- The electric pallet truck is ideal for transporting material in all logistics applications, also thanks to the creep mode button.
- Replaceable Li-ion battery
- Transport pallets electrically
- Stable and manoeuvrable driving
- Multi-purpose tiller head

Technical Data

Product number	1081515 101
With wheel lock	No
Min. lift height	80 mm
Fork arm width	160 mm
Fork, external distance	540 mm
With quick-lift function	No
With weighing system	No
Colour	Blue
Weight	127 kg
Brake	Yes
Manufacturer Part Number	GE0077731
EAN Code	4260151128862
Commodity Code	84271090
