

Hand-operated lifting table trolleys

Load capacity: 150-800 kg

Application

For in-house transportation of loads.

Execution

- Robust foot pump raises the table while saving effort
- Hand lever for controlled, continuous lowering of the table
- High-quality polyurethane tyres as standard
- 2 swivel castors with locking device and 2 fixed castors
- High-quality hydraulic pump
- Paintwork: blue and black

Technical Data

Product number	1081520 102
Load-carrying capacity	800 kg
Min. table height	420 mm
Max. table height	1000 mm
Loading surface length	1016 mm
Loading-surface width	515 mm
Loading surface thickness	60 mm
Shear design	Single
Colour	Light blue Black
Manufacturer Part Number	GE0024070
EAN Code	4024496114085
Commodity Code	84279000
