

CNC plastic insert

Application

The insert is latched into the tool holder carrier (art. no. 1083950-1083951) with a snap closure so can be easily moved to a different distance at any time.

Execution

- Impact-resistant and breakage-resistant ABS material
- Oil-resistant

Advantage

- The inserts feature precise internal bracing
- The tool holder cone is therefore optimally centred

Notes

Art. No. 1083945 501: Universal insert for special sizes for custom-drilling.

Technical Data

Product number	1083945 602
Number of attachments	1 piece
Material	Plastic
Manufacturer Part Number	57.01.05
EAN Code	4024496117987
Commodity Code	39269097
