

RasterPlan ToolTower Stationary

Application

For the systematic, central storage and provision of tools, small parts and organisation materials.

Execution

- Impact-resistant and scratch-resistant plastic coating
- Sturdy frame construction

Advantage

- The ToolTower can be individually equipped with tool holders, tray holders and other practical perforated plate accessories to suit any application
- Modular expansion
- Shelves, perforated panels and slotted plates can be modified or exchanged at a later date
- In the version with lockable door, the interior is fully usable and can also be configured with additional perforated plates or shelves

Technical Data

Product number	1082394 201
Height x width x depth	1100 x 700 x 700 mm
With doors	No
Number of perforated plates	4 PCS
Colour of perforated panel	Light grey RAL 7035
Punched-hole	10 x 10 mm
Lockable	No
Material	Sheet steel
Surface	Powder-coated
Manufacturer Part Number	7431.01.0024
Commodity Code	94032080
