

CLIP-O-FLEX tuning kit table top with upper structure

CLIP-O-FLEX®

Application

Retrofit kit for existing workbenches. Continue to use existing workbench feet or drawer cabinets, or combine with new workbench feet or drawer cabinets. For when outstanding productivity is needed. Full integration of the CLIP-O-FLEX® interface to optimise workflows through flexible workstation design.

Execution

- Multiplex beech worktop
- CLIP-O-FLEX® support rails on side and front
- 3 x CLIP-O-FLEX® multi-purpose levels
- Multiple socket outlet with three sockets (Schuko)
- Central on/off switch; light switch
- Dimmable LED lighting
- Equipment rail incl. tool hangers

Delivery

fully assembled, on pallet, incl. upper structure
