

CLIP-O-FLEX work surface extension 650 x 300 mm

CLIP-O-FLEX®

Application

Extends the work surface by approx. 300 mm or provides an additional storage area at the workstation. Can be attached to either the front or side. There is a gap and very small height difference between the worktop and the extension. Can also be used as a storage shelf on CLIP-O-FLEX® rails mounted to table tops.

Execution

- variable, angle adjustment 0/45/90°

Technical Data

Product number	1082525 101
Colour	Beech
Width x height	300 x 40 mm
Surface	Lacquered
Material	Multiplex beech
Manufacturer Part Number	8796607
