

Wall-mounted belt barrier Magnetic

Application

For indoor and outdoor use. Quickly and effectively block or release paths on a temporary basis. Enables attachment to metallic surfaces, e.g. in storage/shelving area.

Execution

- Magnetic wall bracket and wall clip (art. no. 1087015 501)
- The self-tensioning belt can easily be extended and attached to a wall clip (art. no. 1087015 501)
- The tension spring ensures a controlled return of the self-retracting belt
- Two belts can be connected using a belt connector (art. no. 1087015 502) to create barriers of up to 8 m
- Wall bracket made of high-strength ABS plastic

Advantage

- Outstanding warning effect
