

Wall-mounted belt barrier For wall mounting

Application

For indoor and outdoor use. Quickly and effectively block or release paths on a temporary basis. For screwing on e.g. wall, pillar.

Execution

- Belt case and wall clip (art. no. 1087015 500)
- The self-tensioning belt can easily be extended and attached to a wall clip (art. no. 1087015 500)
- The tension spring ensures a controlled return of the self-retracting belt
- Two belts can be connected using a belt connector (art. no. 1087015 502) to create barriers of up to 8 m
- Wall bracket made of high-strength ABS plastic

Advantage

- Outstanding warning effect

Technical Data

Product number	1087015 401
Colour of housing	Black
Colour of belt	Red/white
Belt width	50 mm
Max. extension length	4 m
Manufacturer Part Number	179.23.085
Commodity Code	39269060
