

Special sealing paint Traffic Protector

Application

Once the markings have dried, apply the sealing varnish using the New Perfect Stripper® floor marker (art. no. 1087040 100) to prolong the service life of the markings.

Advantage

- Especially in areas with high mechanical exposure, the new transparent special sealing varnish protects markings from increased abrasion and contamination

Notes

For floor marking paint, see art. no. 1087041 100-108.
