

Foldable and traversable collection tray Rigid-Lock QuickBerm® XT

Application

Heavy-duty, drive-in long-term spill containment basin for vehicles, heavy equipment and tankers. Suitable for indoor and outdoor use.

Execution

- Modified PVC coated fabric is thicker and more robust for frequent vehicle traffic and heavy duty applications
- Highly chemical resistant and withstands long-term UV exposure - ideal for outdoor use
- The patented, stainless steel Rigid-Lock wall bracket system is 30 cm tall and locks at 90° for secure, leakproof retention
- Quick and easy to set up - just press on the latches to lay the wall flat for easy access and an unhindered workspace
- Single-piece construction with reinforced CriticalCorner™ design and high-frequency (RF) welds prevent seam leaks and ensure liquid-tight reliability

Technical Data

Product number	1085627 102
Collection volume	890 l
Length	2400 mm
Width	1200 mm
Height	305 mm
With grating	No
Manufacturer Part Number	JEN28514BL
Commodity Code	73249000
