

### Safety collection container

#### Application

For safe collection of used cleaning materials.

#### Execution

- Sheet steel
- Tin-plated interior for flammable solids
- Self-closing lid
- Perforated bottom rim prevents warming of the base/self-ignition

#### Advantage

- Easy to open with foot pedal
- No leakage of accumulated liquids
- High structural integrity
- Container labelling prepared in accordance with GefStoffV and BGV A8
- Tested safety product

### Technical Data

Product number	1085590 101
With internal container	No
Self-extinguishing	Limited
Surface	Powder-coated
Manufacturer Part Number	09100
EAN Code	0697841002197
Commodity Code	73102990
