

Waste bin/ashtray with reinforced protective cover and insert

Application

For outdoor use: Waste bin/ashtray with strengthened protective cover.

Execution

- Steel ashtray insert for filling with sand
- Hot-dip galvanised frame and zinc plated sheet steel insert with bow handles
- Reinforced protective cover
- Three openings
- The reinforced protective cover is secured with a lock (square key) to prevent theft
- Mounting the cover simultaneously secures the ashtray insert and sieve against unauthorised removal

Delivery

Supplied individually in a cardboard box.
