HOMMEL HERCULES

Collection container, self-extinguishing

5 JAHRE GARANTIE **MADE IN GERMANY**

Application

The containers can be placed on the floor or hung on the wall. They must be always be secured to a wall. Thanks to the low container depth and the tested self-extinguishing properties, the systems may even be used in potential escape routes.

Execution

▪ Material: Quality thin sheet, zinc-plated
▪ Surface: Structured powder coating, impact-resistant and scratch-resistant
▪ Lid: Self-closing, gas-pressure-damped self-closing lid, silent closing
▪ Interior insert: zinc-plated sheet steel
▪ Emptying: by swinging out the inner container
▪ Door locking: Square, key is supplied
▪ Levelling: Front area with 2 adjustable feet
▪ Body colour: RAL 7035 light grey

Advantage

▪ TÜV-inspected production
▪ Self-extinguishing in accordance with test programme M0307
▪ Container non-combustible in accordance with DIN 4102 or DIN EN 13501-1
▪ Made in Germany

Delivery

Each container comes with a set of self-adhesive ProPads® in the following colours: RAL 5014 pigeon blue, RAL 1002 sand yellow, RAL 7016 anthracite grey. Decide for yourself what colour the collector should be labelled with.

Technical Data

Product number	1085589 202
With internal container	Yes
Self-extinguishing	Yes
Manufacturer Part Number	636-045-3-1-200
EAN Code	4024496126767
Commodity Code	73102990
