

Joint waste/ashtray container

Application

For outdoor use.

Execution

- With ashtray
- The perforated top element has openings for disposing of cigarette butts
- Lockable hinged door with square lock
- With zinc-plated inner container
- Openings on all four sides
- Level adjustment using adjustable feet in the front area
- Body anthracite grey RAL 7016
- Zinc-plated quality sheet
- UV and weather-resistant textured coating
- Top element made of brushed stainless steel

Advantage

- Integrated ashtray for cigarettes can be separately removed (end. no. 101: 5 litres or end. no. 201: 9-litre capacity)

Delivery

The container can be screwed into the floor using the mounting profiles supplied as standard.

Notes

For stickers, see art. no. 1085597, for refuse bags see art. no. 1085598.
