

Coated sheet steel floor-standing ashtray

Application

For tidy and safe extinguishing of cigarettes, also suitable for indoors.

Execution

- High level of corrosion protection thanks to UV-resistant coating
- With removable, zinc-plated sieve and insert for sand reduction
- Lower part with ground clearance bracket
- Made of sheet steel with a high-quality polyester-based powder coating

Advantage

- The devices are particularly stable thanks to their ideal proportions

Delivery

Delivered individually packed in a box. Easy self-assembly (without tools).

Technical Data

Product number	1085630 102
Material	Sheet steel
Manufacturer Part Number	11681
Commodity Code	73239900
