

Quick-change insert, 2-part Accessories for synchronous tapping chucks

ATORN

Application

The quick-change inserts are intended for quick replacement after breakage, wear or if a different thread size is required. Tap collets are clamped using a collet mount.

Execution

- Quick-change insert, 2 pieces screwed together.
- Treated surfaces.

Advantage

- High concentricity.
- Use of standard collets possible.

Delivery

1x quick-change insert, 2 pieces with screws.

Notes

(Please order collets separately).

Technical Data

Product number	1021465 202
Used sizes	2
