

Emergency pressure collet chucks

DIN
6343

Application

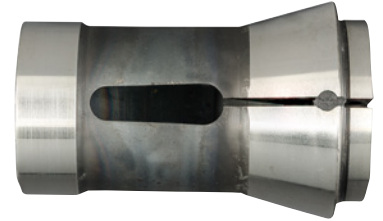

For self-machining to the desired diameter or stepped bore.

Execution

- Hardened to approx. 45 HRC
- Pre-drilled
- Fully ground
- Art. no. 1021572 101: Type 173 E
- Art. no. 1021572 102: Type 185 E

Notes

Can be machined in the chuck using three dowel pins inserted in the face end.

Technical Data

Product number	1021572 102
Clamping diameter	6.0 mm
Manufacturer Part Number	06-185E-NOT
EAN Code	4024496059799
Commodity Code	84661020
