

Installation kit

Application

For CoolSpeed® mini and mini Air high-speed spindles, see art. no. 1021999 010-030.

Execution

- Interchangeable bearings
- Turbine

Advantage

- Maximum concentricity, as the tool itself forms the axis with the ball bearings

Delivery

- CoolSpeed® installation kit dia. 3 mm consisting of 2x bearings and 1x turbine
- Delivery without cutting tool

Technical Data

Product number	1021999 040
Composition of set	Tool installation set diameter 3 mm consisting of 2x bearing and 1x turbine
Manufacturer Part Number	CM-SRK-030
Commodity Code	84101100
