

Hand disinfection Myxal® SEPT Gel

Application

For hygienic disinfection of hands, including in the food sector.

Execution

Myxal® SEPT Gel is an alcohol-based, perfume- and dye-free moisturising gel for hygienic hand disinfection. The product has a bactericidal (incl. MRSA), tuberculocidal, yeasticidal (*C. albicans*) and virucidal (polio-/adeno-/noroviruses) effect. MYXAL® SEPT GEL is a high-proof ethanol-based hand sanitiser that is kind to skin and very effective against viruses. The disinfectant is HACCP-compliant, VAH listed, dermatologically tested and does not contain any cumulative long-term active substances.
