

### Dispenser Proline skin protection

#### Application

Dispenser for Stokolan® 1 litre skin protection cartridges

#### Execution

Proline dispenser made of durable plastic with colour coding for easy identification of the respective product type. The dispenser buttons feature exclusive and durable BioCote® protection, a silver-based antimicrobial agent that inhibits the growth of a variety of bacteria and mould spores. The ultrasonically sealed cartridge and pump mechanisms prevent product contamination.

### Technical Data

Product number	1093103 170
Suitable for	Cartridge
Width x height x depth	130 x 233 x 115 mm
Colour	White   Blue
Manufacturer Part Number	PRO1LDGER
EAN Code	5010424099257
Commodity Code	33049900
