

### Welding glove Argon

#### Application

Precision welding work.

#### Execution

Welding glove made of soft, full-grain nappa leather, unlined, with split leather cuff and inset thumb. EN 420, EN 388, Cat. II.

### Technical Data

Product number	1093209 101
Category	II
EN standard	420   388:2016
Length	35 cm
Backing material	Nappa leather
Manufacturer Part Number	1228 10 PAAR
EAN Code	4031301001201
Commodity Code	42032910
