

Application

For assembly tasks, in the electrical industry, precision engineering, automotive and supplier industries, metal and plastics processing, warehousing and picking work.

Execution

- Partially coated polyamide jersey, ergonomic slim fit. PU coating up to the fingertips. Highly breathable, high mechanical load-bearing capacity. Very good grip for greasy and oily parts. Gentle on the skin due to skin-neutral ingredients, washable. EN 388 (2 1 3 1)

Technical Data

Product number	1002681 545
Manufacturer Part Number	616/7 PACK = 10 PAAR
EAN Code	4008198761679
Commodity Code	61161080
