

Industrial hard hat EVO® VISTAlens® ventilated

Execution

The EVO® VISTAlens® industrial hard hat with integrated, lowering overspecs combines a super-strong helmet shell for outstanding all-day protection in a wide variety of environments with the comfort advantages of the newly developed Evolution® 3D-Adjustment™ interior strapping with 3-point depth adjustment for maximum fit accuracy. The neck strap with Revolution® adjustment wheel closure sits low on the neck and guarantees an extremely secure hold. The 6-point terylene belt system and Chamlon™ cotton sweatband ensure maximum wearing comfort. Safety cell for safe insertion of the overspecs when not in use. Side and rear ventilation provide optimal air circulation inside the shell. Side Euroslot holders (30 mm) for attaching ear defenders, art. no. 1093009 391. Micro peak length. Optical class 1 overspecs, 2C-1.2 1 FTKN. Tested in accordance with EN 397, EN 166, EN 170.
