

Construction hard hat EuroGuard 6-point

Execution

Hard hat in a modern design with slightly extended neck section. Optimised protective surface, while being simultaneously lightweight. Improved lateral stability by means of double-walled inner profile. Includes adjustable side ventilation and eco-leather sweatband as standard, 30 mm slot for mounting ear defenders. With shortened peak. Six-point suspension harness with turn-lock fastener for width adjustment. Protection down to -20°C for use in low temperatures. Tested in accordance with EN 397.

Notes
