

Breathing protection system 9100 FX Air Adflo™

 Speedglas™

Execution

Welder's hard hat 9100X with FlexView function in full combination with breathing protection and automatic welding filter, DIN 5.8 and 9-13. The slim housing is perfect for use in confined spaces. Its ergonomic features are designed to meet the needs of the user in terms of weight and simple, flexible operation. The electronics ensure a constant air flow rate, which is continuously monitored and corrected where necessary. The nominal flow rate is 170 l/min, regardless of battery charge status or filter particulate level, and can be increased to 200 l/min.

Delivery

Automatic welder's helmet 9100X with FlexView function, automatic welding filter with 2x lithium 3 V batteries, Adflo blower box with belt battery, QRS hose, electronic battery charger, air flow sensor, storage bag

Technical Data

Product number	1093009 608
EN standard	379 166 175 12941
UV and IR protection	Protection level 13 (permanent)
Translucency when activated	Protection level 5 Protection level 8 Protection level 9-13
Translucency when not activated	Protection level 3
Energy supply	Solar cells and 2 replaceable 3 V button cells (CR2032)
Manufacturer Part Number	7000044613
EAN Code	4046719470570
Commodity Code	65061010
