

3M™ Speedglas™ helmet lamp kit G5-01

Application

For welding in a dimly lit environment

Execution

Complete helmet lamp set for 3M™ Speedglas™ high-performance welding mask G5-01. Low weight as the lamp is powered by the Adflo™ respirator battery and does not need its own power supply. Positioned for wide illumination of the workpiece. Even light distribution at typical welding distances. Adjustable light intensity. Easy to integrate into the 3M™ Speedglas™ high-performance welding mask G5-01. Including lamp, protection plate, mounting parts and cable.

Notes

Suitable for 3M™ Speedglas™ G5-01 welding mask. Work lamp specially developed for welding.
