

Wide-vision goggles

V-Maxx®

Honeywell

Application

For grinding, turning and milling tasks, precision engineering tasks, workshop and assembly tasks and lab work.

Execution

Casual wide-vision goggles with 180° field of view for vision without distortion, can be worn over many prescription glasses and together with breathing protection. Movable strap attachment provides good flexibility. Special ventilation method meets the requirements of the spray protection test. Tested in accordance with 166, EN 170.

Technical Data

Product number	1093009 151
Category	II
EN standard	166 170
Material of safety lens	Polycarbonate
Coating	Hydroshield®
Non-fogging	Yes
Scratch-resistant	Yes
UV protection	400 nm
Weight	100 g
Manufacturer Part Number	1006193
EAN Code	7312550061930
Commodity Code	90049010
