

Wide-vision safety goggles

Model: carbonvision

uvex

Application

Workshop and laboratory areas, working areas with high humidity and persistent misting, protection against dust, liquid splashes and mechanical risks.

Execution

At only 46 grams, among the lightest wide-vision goggles. Ultra-modern material and manufacturing technology allows the frame to be constructed with low volume and maximum mechanical strength. The low weight allows working over longer periods without forming pressure points. Permanently attached TPU pads ensure a perfect fit and easy cleaning. Can be easily combined with hard hats and breathing masks. Tested in accordance with EN 166, EN 170.

Technical Data

Product number	1093009 054
Category	II
EN standard	166 170
Material of safety lens	Polycarbonate
Coating	Uvex supravision extreme
Non-fogging	Yes
Scratch-resistant	Yes
UV protection	400 nm
Weight	46 g
Manufacturer Part Number	9307375
EAN Code	4031101472003
Commodity Code	90049010
