

Wide-vision goggles uvex ultrasonic

uvex

Application

For grinding, assembly tasks and lab work, protection against dust, fluids and mechanical risks, as safety overspecs.

Execution

Wide-vision goggles with a wide panoramic field of view and maximum comfort thanks to the combination of hard and soft components. The flexible soft components adapt individually to the facial contours and ensure a pressure-free fit; the ventilation guarantees a pleasant feel around the eyes. Also suitable as overspecs for wearing over conventional prescription glasses. Tested in accordance with EN 166, EN 170.
