

Corrective safety spectacles Contemporary 571

Application

Ideal for glasses wearers, for grinding, turning and milling tasks, precision engineering tasks, workshop and assembly tasks and lab work.

Execution

Corrective safety spectacles in a classic design with scratch-resistant single-vision polycarbonate lenses. Robust nylon frame with gloss coating and transparent side protection integrated into the frame. Free of metal components. Tested in accordance with EN 166, EN 170.

Notes

Pre-manufactured single-vision spectacles as a functional reading aid with additional protective function.

Technical Data

Product number	1093010 063
Category	II
EN standard	166 170
Material of safety lens	Polycarbonate
Scratch-resistant	Yes
UV protection	400 nm
Weight	29 g
Manufacturer Part Number	571.P0.05.98-250
