

Ear plugs uvex com4-fit refill box

Application

Particularly suitable for operations with high continuous noise exposure and for areas with temporarily high noise exposure.

Execution

The ergonomically shaped ear plugs prevent foreign objects and dirt entering due to their closed surface. The comfortable, soft foam enhances comfort thanks to the optional adjustment. Patented X-Grip technology reduces contact pressure in the ear canal and makes removing the plug noticeably easier. Ideal for narrow and small ear canals. Eco-friendly cardboard refill box with 300 pairs of ear plugs for ear plug dispenser uvex one2click, art. no. 1093009 345. In accordance with EN 352-2. Meets the additional requirements related to „hearing a signal in railway track superstructure construction“ (S), „hearing a signal in road traffic“ (V), „hearing a general warning signal“ (W) „hearing a signal relevant to locomotive drivers in railway operations“ (E).

Notes

Refill box for uvex one2click dispenser, art. no. 1093009 345.
