

Ear defenders 3M™ Peltor™ Optime™ I

Application

Workplaces with light to medium noise exposure.

Execution

The soft, comfortable sealing rings of the 3M™ Peltor™ Optime™ ear defenders are filled with a unique combination of fluid and foam. This combination ensures optimal sealing and low contact pressure, even with prolonged use. The slim design and light weight guarantee maximum comfort even when combined with other protective equipment. The two-point suspension made of stainless steel enables individual adjustment.

Notes

Art. no. 1093009 401 for mounting on hard hats with 30 mm slot. The ear defenders can be placed in the operating, ventilation and rest position.

3M PELTOR™

Technical Data

Product number	1093009 400
Category	III
EN standard	352-1
Colour	Yellow
Manufacturer Part Number	7000039616
EAN Code	4046719387908
Commodity Code	39269060
