

Ear defenders VeriShield VS120

Application

Workplaces with medium to high noise levels.

Execution

Ear defenders with lightweight, padded headband for precise fine adjustment to sit perfectly on any head size. Wide earpiece opening and new, unique memory foam combining both denser and softer foam for perfect sound insulation and great comfort. The oil-resistant surface of the ear defenders copes easily with difficult operating conditions and more frequent cleaning. In accordance with EN 352-1.
