

Breathing mask FFP1 NR D type 2365

Execution

Thanks to ActivForm®, this mask automatically adapts to the shape of the face. The DuraMesh® outer structure guarantees stability and durability thanks to the grid shell, the climate valve facilitates exhalation and provides a pleasant breathing environment. Temperature, humidity and CO2 content are significantly reduced beneath the mask. The elastic wrap-around strap adapts to the shape of the wearer's head.

Delivery

Pack of 20
