

### Breathing mask FFP3 R D type 8833

#### Execution

The comfort programme: The 3M™ 8300 Series is designed for maximum comfort in harsh industrial environments. The M-shaped nose clip of the FFP1 mask adapts quickly and easily. The extremely soft, padded inner fleece and the specially structured seal along with the robust mask body offer the highest level of comfort. The 3M™ CoolFlow™ exhalation valve prevents heat and moisture buildup and, when combined with the powerful filter medium, ensures the lowest possible breathing resistance. The colour-coded bands indicate the protection class.

#### Delivery

Pack of 10

# 3M

### Technical Data

Product number	1093009 252
Category	III
EN standard	149:2001 + A1:2009
Manufacturer Part Number	7100057145
EAN Code	4046719975747
Commodity Code	63079093
