

Breathing mask SpringFit™ Series

Execution

The SpringFit™ foldable breathing mask achieves a completely secure and comfortable fit thanks to its unique endoskeleton structure. The integrated cushioning function absorbs facial movements and ensures a perfect seal. The SpringFit™ features a flat design that provides full compatibility with other PPE products, while its low profile ensures full visibility. The adjustable headband allows the SpringFit™ to be easily adapted to all head sizes and shapes. The mask is individually packed for hygiene.

Delivery

Pack of 10

Notes

Type 425 art. no. 1093009198 and type 435 art. no. 1093009199 with Typhoon™ exhalation valve

Technical Data

Product number	1093009 198
Category	III
EN standard	149:2001 + A1:2009
Manufacturer Part Number	BGA172-202-000
Commodity Code	63079093
