

Breathing mask Type 3405 FFP3 R D

Execution

Reusable breathing mask with ActiveForm®, which automatically adapts to the face shape. The DuraMesh® mask grille provides robustness and dimensional stability. The all-round strap with adjustable fastener enables easy positioning/removal and provides a secure, pressure-free hold. The nose sealing lip reduces exhalation resistance and reduces heat and moisture beneath the mask. The soft, all-round sealing lip is gentle on the skin and washable. The folding filter technology provides 260% more filter surface, resulting in a high absorption capacity and long usage times.
